BILLIARDS & SNOOKER

Annual Snooker Tournament

As the tournament progresses, there have been a number of sensational performances by a number of players securing their place in the final eight and in the money. In one of the toughest matches, Rod Foord defeated John Gowran surprisingly easily reflecting Rod's determination combined with good run of the balls. John has put in a determined performance as usual this year and will be one to watch in next year's tournament. In another close match, N Prendergast defeated M Fricker in a black ball game to earn a place in the final eight and last year's winner Peter Twigg ousted Denis Pidcock in what looks like a repeat of last years tremendous performance and another shot at the title.

One of the Club's most experienced players, Alan McDonald, defeated an in form Terry Lindfield and Bruce Cox defeated Nick Shehadie but must now defeat the indomitable John Threlfro to earn his place in the finals.

Billiards Handicap

There have been a number of close games in the Billiards Handicap, Andrew Griffin, Barry Jarrett and elder statesman Arthur O'Connor all won their games by less than 10 points, but Andrew Bald triumphed over Andrew Corbett who never really got close and looks to be still haunted by the ghosts of the 1994 Snooker Final.

Interclub Tournament

By the time this newsletter reaches the press, Tattersall's should have secured their place in another final although they will be the underdogs against the top team North Sydney Sports. The team has played well and consistently and should be congratulated on their fine effort.

The final will be held at North Sydney and should be played on 17 September. Spectators are welcome and encouraged, so keep a look out for more details around the Club.

The Christmas Handicap

Entries for the Christmas Handicap are closing soon, ensure your place in the competition contact Paddy or put your name on the list in the Snooker Room.

PLEASURE TO MEASURE

(NEXT DOOR TO TATTERSALL'S)

The tailor's cutting-bench you see in the Vince M shop isn't there for decoration. Custom-tailoring is something Vince Maloney is very good at. And a VM suit tailored for you is not even costly; say from \$1,000 (trousers \$265).

A lot of VM customers enjoy tailored-to-measure shirts also and are surprised, at first, to learn that a custom-tailored VM shirt of fine English cloth costs about \$195; less than most big-name imports. For patriotism or for saving dough, think about having your suits and shirts tailored-to-measure.

Just do it.....like the ad says.

V.M.

Do you have a son or daughter planning a wedding - why not consider your Club for the reception? We have gracious rooms with a vista of Hyde Park set in an ambience of tradition.

Our specialist personnel will carry out all your requirements. Enquiries : Banqueting Department.

BISTRO ART

NORA ANDY NAPALTJARRI UNTITLED PAINTING

Nora Andy Napaltjarri was born in Papunya and resides at Mount Liegig, 60kms west of Papunya. She is of the Warlpiri Tribe. The Andy family is a highly respected group of talented painters and are custodians of many of the Dreaming legends of their region.

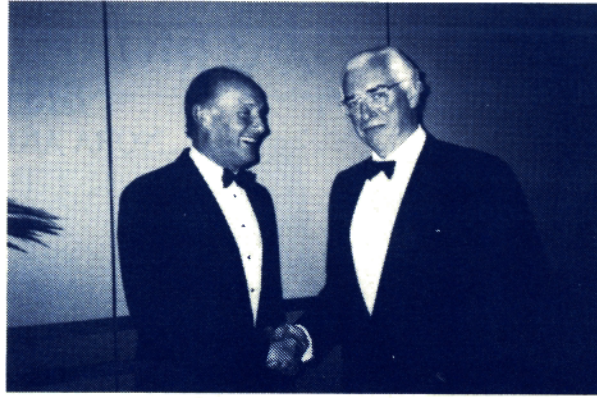

The rendering of sand painting on canvas or masonite is essentially a contemporary movement of Australian painting, which began around 1971. The subjects and symbols are traditional, yet the medium, acrylic on canvas, modern. This unites the richness of centuries; a balance of man with his environment and a highly developed philosophy uniquely Aboriginal. Sand painting comes from four main communities: Mount Allen, Papunya, Napperby and Yuendumu.

The painting by Nora Andy depicts a bush tucker dreaming of the Kungka Kuttara legend. The Kungka Kuttara (literally meaning two women) are auntie and niece in the Dreamtime and today's kinship relations. The Kungka Kuttara travelled extensively during the Dreamtime and set down the guidelines of food gathering traditions still respected by tribal people today. Uparli is similar to a bush banana. The central circle depicts the plant and the women symbolised by U-shapes, Napaltjarri and Nugala, are digging for bush banana with their digging sticks (the bars) and put them in their wooden coolamons (oval shapes). The site where this dreaming takes place is at Papunya, 250kms west of Alice Springs. The difference of dots in the background represents the different terrain such as sandhills, claypan, spinifex grasses etc.
